

Productivity Awards

The annual Fall Foreman's Meeting was held at the Postal Workers Picnic Grounds on Thursday, September 18th. The following employees received awards for their commitment to productivity.

Perry Thoman for the use of the electric chain hoist at the Hershey Museum to lower equipment to the basement.

Barry Bailey for the fabrication of the sheetmetal jobsite break areas.

Tom Chuba for the layout and design of the toolroom and warehouse reorganization.

Doug Runshaw for his commitment to the warehouse reorganization.

George Thoman for revitalizing the mobile weld cart at Mittal Steel.

Henry Holman and Tim Chappell for converting the flying trailers into prefab trailers with removable sides.

Frank Wondoloski and Tom Kehler for their commitment to the toolroom reorganization.
